

## ***A Rallying Cry: We Need All Your HANDS & VOICES***

**I**f you or your child/student talk or sign... if you talk and sign, or cue, or care, we need you. If you are directly, indirectly, or potentially involved with children who are deaf or hard of hearing and their families, we need you. We need to be united by our hands and our voices. We are parents, professionals, adult mentors, consumers, and others who are in so many ways connected to a cause and to each other through the community of the Deaf and Hard of Hearing. We are Hands & Voices.

Our philosophy of unbiased support makes Hands & Voices unique among Deaf/HH organizations. There are many wonderful organizations that provide support and information about methods and modes of communication, but at Hands & Voices, we rally around the need to improve educational outcomes for our kids, and to enhance their quality of life.

Our organization is parent-driven, but highly collaborative with professionals who are represented on our advisory board, and make up approximately one third of our membership. We work at both the local and national levels. Our state chapters provide local and regional support consistent with the Hands & Voices non-biased philosophy and mission. In addition to family support, we strive to be meaningfully involved at the systems development level.

Whether we're at work locally or nationally, Hands & Voices continues to be driven by the need to improve the educational outcomes and quality of life for children who are deaf or hard of hearing.

Be a part of this dynamic movement....become a Hands & Voices member today!

## Parent Support and Advocacy for Children who are Deaf and Hard of Hearing

### Our Mission:

Families for Hands and Voices is dedicated to supporting families with children who are Deaf or Hard of Hearing without a bias around communication modes or methodology. We're a parent-driven, non-profit organization providing families with the resources, networks, and information they need to improve communication access and educational outcomes for their children. Our outreach activities, parent/professional collaboration, and advocacy efforts are focused on enabling Deaf and Hard-of-Hearing children to reach their highest potential.

### What People say about Hands & Voices:

"Hands & Voices supported my personal decision about my son and how he would learn to communicate with the world as a deaf Person. Hands & Voices did not judge, but supported my choice."

Shirley Swope,  
parent and advocate, Colorado

"Hands & Voices is what our state has been waiting for. I had several requests for specific information which sent me scrambling for some appropriate resources and information. Hands & Voices was where I found it."

Lorna Irwin,  
parent and consultant, Idaho

"For too long we have debated what communication mode is best, rather than work to provide the variety of options necessary to meet the diverse needs of deaf/hh children. The broad vision of Hands & Voices comes at exactly the right time."

Lawrence Siegel,  
Natl. Deaf Education Project
